Step-by-step guide on how to convert your existing **ICICI Savings Account (Resident)** into an **NRE/NRO account** after becoming an NRI.

This is the exact process ICICI Bank follows as of today.

✅ **Important First Step — You CANNOT "convert" a savings account to an NRE account**

You must open a **new NRE account**, but your **existing resident savings account must be converted to NRO** (NOT NRE).
Why?

- NRE = only external foreign earnings
- NRO = handles income earned in India
- Resident savings accounts become **legally invalid** once you become an NRI

So the process is:
✓ **Convert existing Resident Savings → NRO Account**
✓ **Open a new NRE Account (optional, but recommended)**

🟢 **Part 1 — Convert Your Existing ICICI Savings Account → NRO Account**
There are 3 ways:

1️⃣ **Convert through ICICI NRI Customer Care (Simplest)**

You need to fill:

- **Account Status Change Form**
- Submit **KYC documents** (passport, visa, overseas address proof, etc.)

https://www.sqldbachamps.com/

ICICI will send the form via email or you can download it.
You then:

1. Complete the form
2. Attach KYC documents
3. Courier it to ICICI NRI Service Branch (Mumbai) or submit at your home branch in Hyderabad

2️⃣ **Visit Your ICICI Home Branch in Hyderabad (if you are still in India)**

Bring:

- Passport
- Visa / Work Permit
- Overseas Address Proof
- PAN Card
- Photos

Ask for **Resident to NRO Conversion Form**.
The branch will process it in 3–5 working days.

3️⃣ **Convert Online Using ICICI NRI Services Portal (partially online)**

You fill details online, but still **must courier signed documents**.
Link:
ICICI NRI Services → Convert to NRO

🔵 **Documents Required for NRO Conversion**

Document	Requirement
Passport (front + back)	Mandatory
Valid visa / work permit / residence permit	Mandatory
Overseas address proof	Bank statement / utility bill / employment letter
PAN Card	Mandatory
Passport-size photo	Required
Signed conversion form	Must

🟢 **Part 2 — Open a New ICICI NRE Account (if required)**

NRE account is used for:

- Foreign salary
- Overseas deposits
- Repatriable funds

Ways to open:

- Online application + courier documents
- Through ICICI NRI Relationship Manager
- At home branch (only if you're still in India, before leaving)

Documents are the same as NRO.

🔵 **Key Differences Between NRO & NRE**

Feature	NRO	NRE
Funds Source	Indian income (rent, salary in India)	Foreign income
Repatriation	Limited	Fully repatriable
Tax	Interest **taxable**	Interest **tax-free**
Convert Savings → ?	✓ Yes (NRO)	❌ No

https://www.scholarchamps.com/

🟢 **Practical Recommendation**

Most NRIs maintain **both**:

✓ **NRO → For India earnings (rent, FD maturity, mutual funds, pension)**

✓ **NRE → For foreign salary & tax-free deposits**

🟣 **Processing Time**

- **NRO conversion:** 3–7 working days
- **NRE account opening:** 5–10 working days (after document verification)

✅ **If you are in the USA (NRI), here's what you MUST do:**

1️⃣ **Your existing ICICI India Savings Account must be converted to an NRO Account (mandatory by law).**

RBI rules do NOT allow NRIs to keep a regular resident savings account.

Your existing account → **will become NRO**

You cannot convert it into NRE.

✅ 2️⃣ **You can (and should) open a separate NRE Account (optional but highly recommended)**

Why?

Because NRE is useful for:

- Salary earned in USA
- Sending money to India tax-free
- Keeping funds fully repatriable
- Earning tax-free interest
- Creating NRE FDs with higher interest

🟦 **So the correct setup is:**

✓ **Convert existing Savings → NRO Account**

This will handle:

- Rent received in India
- Indian salary (if any)
- Dividends
- Interest
- Indian investments
- Payments within India

✓ **Open a new NRE Account**

This will handle:

- USA salary remitted to India
- Foreign transfers
- Savings at better NRE FD interest
- Tax-free income and full repatriation

🟢 **Recommended for any NRI in USA:**

⭐ **Maintain BOTH NRE and NRO accounts**

They serve different purposes, and both are needed for proper financial management.

🔍 **Summary Table**

Feature	NRO (Converted from Savings)	NRE (New Account)
Convert your current ICICI savings account?	✓ YES	❌ NO
Holds US salary?	❌ No	✓ Yes
Holds Indian income (rent, interest, FD, MF)?	✓ Yes	❌ No
Taxable?	✓ Yes (TDS applied)	❌ No (tax-free)
Can money be repatriated out of India?	Limited	Unlimited
FD interest	Taxable	Tax-free
